EMERGENCY APPLICATION

TO PROCEED IN FORMA PAUPERIS

WITHOUT ACCOUNT CERTIFICATION

I, C, STEVENS ET AL all pretrial detainees and other incarcerated members of an unjust and inhumane society, is asking this court to intervene into these unlawful and life threatening actions by this county correctional facility, to date there is no heat, either by ventilation or shower, as the covid-19 and its variants create high risk for people to contract it. Inside this facility the same rate of contraction is double that of the outside society. As provided in plaintiff(s) brief units have constantly been quarantined for the outbreak, yet there is ^{no protection} ~~is~~ to control this virus, the lack of no heat creates a melting pot for not only the covid-19 outbreak, its variant strains, but for colds, the flu and other sicknesses.

This Facility constantly LACKS supplies, to this

date of February 21, 2022 there is no toilet paper to use the bathroom since Friday Feb. 19, 2022, there is lack of Soap and other functionary and stationery Supplies.

Plaintiff(s) is hoping and praying this court's intervention will deter these crooked officials behavior, as All of our ~~the~~ lives are at high risk daily to contract this deadly disease. There is over crowding beyond acceptable Standards, If this Federal Court does not ~~ex~~ step into this matter immediately bringing this class action before this U.S. and Federal court, this facility as a whole will be giving this Covid 19 virus a helping hand at spreading its deadly plague.

This county is not short of money as every inmate is a source of money and this facility is stack piling humans to catch a deadly virus or catch lung cancer thru the black mold and other unhealthy air particulars/pollents located in this public health hazardous place.

If the federal constitution has any distinct meaning at all the fourteenth and

the fifth provides nor person shall be deprived of Life, Liberty with Due Process of Law or private property be taken without Just Compensation

EVERY person or Human being's body its mental, biological and other processes are theirs and fall under their own property in which is private and to expose us to deadly viruses after the STATES LAW enforcement officers incarcerated us causing a deprivation of Liberty as well as Life. The Injustice of this Facility needs a Federal courts intervention immediately. EVERY Plaintiff(s) ask 10,000\$ per violation or per day(s) spent under these ~~inhumane~~

inhumane, unclean, unsafe conditions. Facility does have a regular Law Libery Library schedule to make copies

POCKET _____

BRIEF IN SUPPORT OF COMPLAINT

The above named plaintiff(s) are currently under extreme emotional, mental and physical duress, by the MERCER COUNTY Correctional Center, ran and regulated by the County of MERCER, a mere Creation of the STATE OF NEW JERSEY. ALL defendants in their official and individual Capacity has purposely and knowingly created unsafe and unhealthy conditions within this facility, not even fit for animal livestock.

The most serious of these health^{Living} conditions is the *Black mold* all over the showers, The NEW JERSEY Health Department deemed this Black mold to unsafe, long term exposure causes lung failure, cancer and other serious health problems. This form of Black mold spores is so deadly that houses, Apartments and other structures have been

evacuated immediately and deemed uninhabitable.

YET, This County facility is constantly stock piling human beings, knowing this detrimental black mold hazard is constantly in existence and is unsafe. It can be seen as a form of cruel and unusual punishment inflicted, which violates the very foundation of the Sovereign's man's unalienable and God Given Right to defend his Life, Liberty and pursuit of Happiness.

It is the STATE OF NEW JERSEY an ARTIFICIAL entity and its various inner Administrative agencies that oversee and regulate the orderly maintenance and running of the MERCER County Corrections Center. THE STATE OF NEW JERSEY DEPARTMENT OF HEALTH, THE STATE OF NEW JERSEY FIRE MARSHALL position it is to ensure that Health and Safety Standards are being followed, but these Agencies through negligence has purposefully and willfully failed to inspect and properly oversee these facilities.

Second, Living Condition that effects not only inmates health but the constitutional standards to the Right of Life and ~~and~~ Liberty

is the discolored forms of dust and hazardous materials spewing from all the vents, which is in return filling every individual's lungs

In this country exist a long trail of inmate abuses, physical, mental as well as emotional, there seems to be no reform to correct these issues of Public Safety. A person/Human being whether convicted or a pretrial detainee is still a member of our society and still retains the rights both inalienable or God-Given, The Declaration of Independence provides:

- 1) That all men are created equal and are endowed by their Creator with natural and inalienable rights no man or Government can bestow or take away

That members of the community are colleagues

Amendment U/S in part provides

nobody be deprived of Life, Liberty or property without Due process of Law, nor shall private property be taken for public use without just Compensation.

These Correctional police officers who are actors of the State, who fell under color of

Law, color of title and color of position
 & display on his shoulder both the AMERICAN
 FLAG and the patch of The Dept. of public
 Safety both show where his Allegiance
 lie, to the corporate institutions of this
 State and Country.

New Jersey houses more incarcerated Facilities
 the most LARGER STATES, EVERY County
 has one or 2 County, & STATE Facilities
 FOR MEN / FOR Adult women numerous
 institutions to incarcerate Children. In the
 founding of these institutions for the Administration
 of public Safety, A warden oversees the
 daily ~~off~~ operation of these facilities
 but the MERCER County Correctional Facility
 is overseen by WARDEN CHARLES ELLIS
 who is fully aware these detrimental
 conditions persist on a public hazardous
 level and this Facility is cited to be
 shut down by the STATE

PRIOR Civil Suits have been Filed and
 the STATE has settled out of court
 due to unsafe conditions, EVERY employee
 that either wears a badge of Alliance
 to public Safety and to the Administration
 of Justice, feels unsafe to show up for

work, leaving a constant worker shortage
 Superior ranking officers conspire with
 each other to deprive us plaintiff(s)
 of Rights, such as MASK, properly
 issued clothing, shoes and vital supplies
 necessary to have life in this facility.

Conspiracy by this facility's staff,
 Correctional police officers, cause them to
 knowingly promote violence by putting
 us at risk of bodily harm, by putting
 murders, 1st degree gun charges and other
 high crimes together with Burglary, Simple
 assault or Traffic violators. Correctional
 police officers do not watch inmates assault
 other individuals due to these officers
 relationship with inmates from the street,
 Correctional employees lives on the same
 street, sister or Aunt have a ~~bad~~ baby
 with certain individuals, or there is a
 romantic relationship with the inmate and
 County Correctional employee/officer.

There is no level of oversight by nobody
 at this facility from WARDEN to Director
 of Public Safety to any officer, leaving
 harm to constantly be done to us. This County
 Correctional facility officers proclaim and even

publish safety but are unequipped to handle people with mental illness and other mental disabilities, putting them in harms way by intermixing them with people who can and will harm them. This facility is known for the violence of inmate on inmate, Correctional officers using pepper spray, mace and other agents illegally without proper procedure paperwork.

We the plaintiff(s) are left to the STATE'S Abuses and if any one of these plaintiff(s) are here for the long run these abuses will persist, the only vindication is compensation at 19,000[#] per violation

COUNTY OF MERCER, STATE

OF NEW JERSEY, STATE OF

NEW JERSEY Fire Marshall,

inspector, STATE OF NJ public health

MERCER COUNTY, a Creation of the STATE OF NEW

JERSEY, Correctional Center located at 1750 RIVER ROAD

in Lambertville TOWNSHIP, this Correctional center

from the warden to the Simplist corrections/

officer is negligent to provide safe and adequate

living conditions from ~~the~~ disease with clean and

safe heating, hot water, clothing, mask that are

an executive order by the Governor to control the

spread of a pandemic called the covid-19

virus and its variations, these individuals waste

tax payers money to ensure that public safety

standards, rules, regulations, codes both statute and

LOA Administrative are followed.

Instead, this facility is a breeding ground for

a public health hazard, Black mold exist in

layers everywhere in the bathroom, dust, dirt and

grim blows out the vents at a constant

rate. EVERY window is partially cracked with a

steady cold breeze flowing along with the absence of water in the shower, one has to use a deodorant stick tube along with using the sink used for filling up the mop bucket.

These scots who under color of law, color of title and color of office fails to issue proper clothing entering facility 1 pair of boxers any size, shoes super large, ~~1 pair~~ ^{shirt} and 1 pair of socks are given nothing more is ever given depriving every inmate of the plainest of basic rights of life.

Facility staff aware of this but still commits fraud by lying to the public that this facility is habitable, but underneath disaster is brewing and this facility has been cited to be closed and should be, water is unsafe to drink, units constantly catch covid-19 as it practices unsafe mask protection than mask shortage every day.

Cruel and unusual punishment should not be inflicted, as animals get treated better than I have by this Administrative Correctional Agency, the lowest of animal and insect life deserves properly cooked food and safe living conditions
